Thanks Carter, this is helpful! Dan and I have already been discussing this, we have something in the works.

Best,

MATTHEW SEVERSON

Subject: Policy for painting signal cabinets

Hey Matthew,

I've been going over your checklist with our departments and wanted to flag the signal cabinet painting program in case you hadn't seen it.

Once you have designs and locations, you would work with CD13 on submitting a letter to DOT requesting the departments permission.

Cheers,

Carter
